GRADUATE RESEARCH SUPPORT
Research Degree Supervision Record

Name of Student	Rene Garcia Cepeda
Date of Meeting	9 Jan 2019

Present: Rene Cepeda, Beryl Graham (notes), apols Alex

Ethics Form:

Now signed off by Beryl.

Coming year work:

FACT: Approval given. **2 weeks in** July 2019. Show opens Open July 11.

Interviews:
Pippin Barr done. Kiosking which reduces risk of users going off piste. Deal with this under Dietz's 'Interaction'.

For each interviews, reflect, and:
- Pull out key words.
- Reflect on how well each question is doing: OK to tweak question. Barr said 'as above once'.

RC to give supers access.
 Should have all before go to FACT, which will inform the study.

Name categories/taxonomy of different types of exhibitions, so you can perhaps use these in an exhibition proposal.

Commercial availability
Is getting less important?

Interactive:
For each define what is interacting/reacting with what/who. A diagram? Also see my thesis. Audience rather than human.

Continue to refine Taxonomy and make as simple and elegant as possible. Continue and add things as they emerge from interviews.

Draft Table of Contents for your handbook.

Consider whether it would be useful to group things under Dietz's 3 categories- might not

work.

See Bandersnatch interactive movie.

ACTION:
Carry on with Taxonomy and TOC. Start to gather examples for each heading.
