

A close-up portrait of a woman with blonde hair styled in a bun with braids. She is wearing a white fur-trimmed coat. The background is a soft, out-of-focus gradient of pastel colors.

So. this is kind of bothering me. It's weird that we're just kind of ignoring it. As far as I can tell "tsinclair" is really the actual Sinclair. Which means one of two things. He's made a weird ARG move because it doesn't make a lick of sense for the director, who has direct contact with Poppy, to be making a comment on her reddit post when he could just
